## WHAT GOES WHERE?

Based on the information from the New Recycling List at [www.recyclinglistireland.ie](http://www.recyclinglistireland.ie) (see page 8) can you work out what can be recycled in the Mixed Recyclables bin and what should go into another bin? Put the bin number in each box. Answers on page 13.

There are five items listed that may go into BOTH the Mixed Recyclables bin AND, in small quantities, the Compost Bin. Which ones are these?
